TECHNICAL DATA ETIM

Mounting method	Flush mounted (plaster)
Colour	Blue
Width	250
Model	Other
Halogen free	No
Shape	Square
Surface protection	Untreated
Diameter	
Equipped with	None
Construction type	Cable junction box
Inner depth	115
Connectable	No
Length	250
Sealable	No
Circuit integrity	None
Material	Plastic
Number of inlets	16
Mounting switching equipment	
Cover attachment	Screwed
For number of electric fittings	
Luminaire hook mounting	No
With screening	No
With screws	Si
Air tight	No
Depth	115 | 115
Degree of protection (IP)	Other
For tube diameter	Other
Inlet from the rear	Si
Pipe locking	No
Special application	Other

Clamp position fixed	No
With partition panel	No
Number of poles of the clamp	
Nozzle	None
Provided with revolving ring	No
Housing feed-through by seal membrane	No
Housing feed-through by nozzle	No
Housing feed-through by step membrane	No
Pipe locking optional	Si
Number of included spouts	
Cover model	Mounting cover
Housing feed-through by break-out opening	No
Transparent cover	No
Degree of protection (NEMA)	Other

COMMERCIAL DATA

Code EAN13	8008379523160

Weight min.pck.	762,00
Quantity min. order	1,00
Reference Metel	FLUSH MOUNTED BOX 250X250X115
Product status	New

AVE reserves the right to modify the characteristics of the products shown at any time and without notice. The installation must be carried out by qualified personnel in compliance with the provisions governing the installation of electrical equipment in force in the country where the products are installed. For the conditions of use of the information on the product sheet see conditions of use.

WARNING AND SAFETY INFORMATIONS

The Buyer is obligated to manage packaging with care and keep the material in an appropriate manner, in environments without humidity, and with a temperature not lower than – 5 °C and not higher than + 40 °C.

The Buyer is obligated to inform its own buyers of the conservation methods of the materials supplied by the company AVE S.p.A. The Buyer is obligated to sell the material in the original packaging without damaging it or, if this is not the case, to transmit to its own buyers the instructions that accompany the products by the supplier AVE S.p.A.

These instructions can be found also in catalogues, technical sheets, lea□□ets, inserts and on the company website (www.ave.it). The Buyer, in case of sales of AVE products in EU countries, is committed to ensure that the product instructions sheets in the AVE packaging, are available in the specific language of the destination country.

Should they not be available, the Buyer undertakes to ask AVE for the integration of the instructions sheets to include the said required language and/or symbols necessary for the export of goods or the Buyer commits himself to provide for them. If the Buyer opens the packaging before selling the products, it must make sure of the apparent integrity of the same products. In case of doubt, the products must not be sold. AVE S.p.A. products are made to be installed. Products and accessories must be installed by qualified personnel.

The products must be installed and used for their designated purpose and in conformity with the applicable standards for the various types of plants and also considering the catalogues specifications, the instruction sheets and the information published on the company website. Anyway, before using the installed products, it is necessary to have the entire plant tested by specialised personnel, to verify functionality and observance of the safety standards according to the laws in force.

AVE S.p.A. reserves the right to make changes and improvements to products illustrated in the catalogue and available in the price list, without giving prior notice, as a consequence of the constant updating process of production, technology and standards. On request, product sheets or other equivalent documentation is always available at the AVE S.p.A Technical Assistance O□□ce. We recommend to consult the company
