

Simone Micheli chooses AVE for Moscow Design Week

The famous architect Simone Micheli chooses AVE for "ORGANIC SHAPES an extreme lobby and spa design", his exhibition that will be presented during the Moscow Design Week.

There will also be **AVE products at Moscow Design Week**, one of the main events in the design field that will involve designers and architects from all over the **world**. Among these, a prominent position will be occupied by the internationally renowned **architect Simone Micheli** that - after years of fruitful collaboration with AVE - has again chosen it as partner for his exhibition "ORGANIC SHAPES an extreme lobby and spa design", an installation that will be presented during the **Moscow Design Week**.

In Russia, inside the **Central House of Artist in Moscow** (Krymskiy Val, 10), **Simone Micheli** will present an emotional circuit composed of a **spa area** and a **lobby** where AVE products will become protagonists of a new way of conceiving **hospitality** and the **welcoming**. A conceptual experimentation, an evolution of contemporaneity, in which **AVE technologies and designs selected by Simone Micheli** will participate in order to define smart and distinctive spaces, full of meaning and oriented to **sustainability**.
